## The benefits of an edible garden

Establishing an edible garden is an investment in your taste buds & your health.

It's been proven that the simple pleasure of maintaining a sustainable garden has a positive effect on our sense of well-being.

Then of course, there are the physical benefits. From the digging, forking, turning compost & pushing wheelbarrows, all give your cardiovascular a good workout.

Growing, harvesting & of course eating your freshly grown produce has to be one of life's great pleasures.

# courtyard creations

As Australian gardens are getting smaller, the focus is more on creating clever courtyard spaces that satisfy all your outdoor needs.

Here are some great tips on how to plan your courtyard from the ground up.

Choosing the right sized furniture piece for your courtyard is an important step when planning your courtyard. Come in-store today to see our extensive range.

**Oscar Pop-Up Bench\*** **\$169** EACH  
FSC certified eucalyptus timber. Centre seat converts to handy drinks table. Includes two seat cushions. 90H x 150W x 57Dcm. 367-9362

It's important to choose plants wisely. Limited courtyard space means plants should provide year-round interest & be of a manageable size.
